

Our Service Plans

At RigneyMade, we offer three flexible and affordable plans designed to meet the needs of new and small businesses. Whether you're looking for a one-off website or ongoing support, we've got you covered.

Web Development Plan

Starting at £600

A professionally designed single or multi-page website tailored to your business. This plan is ideal for small businesses that need a strong online presence without the hassle of ongoing management.

What's Included:

- **Up to 5 Pages:** A website with all the essentials to showcase your business.
- **Free Hosting:** Reliable and secure hosting for one year.
- **6 Months of Support:** Help with any website issues or adjustments for half a year.
- **1 Year Free Custom Domain:** Your own unique web address, included for the first year.

Logo Design Plan

£300 One-Off

A professionally crafted logo that truly represents your brand. This plan is perfect for businesses starting out and looking to establish their visual identity.

What's Included:

- **All Necessary Formats:** Get your logo in all the formats you'll need for print, web, and social media.
- **2 Follow-Up Revisions:** Adjustments to ensure the logo is perfect for your brand.
- **1 Alternative Design:** An extra design option to give you more choices.
- **Complete Brand Guide:** A guide to using your new logo across various platforms and marketing materials.

Complete Package

£200/month for 6 Months

This 6-month plan is perfect for those just getting started. I'll work closely with you to design, develop, and manage your website and/or logo, providing personalized support every step of the way. Plus, I'll assist with other digital needs to make sure your business is set up for success from the start.

What's Included:

- **Logo Included:** A custom logo design to represent your brand.
- **Graphics Assistance:** Help with other graphic design needs, such as promotional materials, social media assets, and branding elements.
- **Digital Support:** Assistance with digital tools, email, social media, or anything else related to your online presence.
- **Ongoing Updates:** Regular updates to keep your website fresh and relevant.
- **Google Analytics:** Tracking and insights into how your website is performing.
- **Revisions as Needed:** Continuous design tweaks to ensure the website stays aligned with your business goals.
